

Bridge Road, £220,000

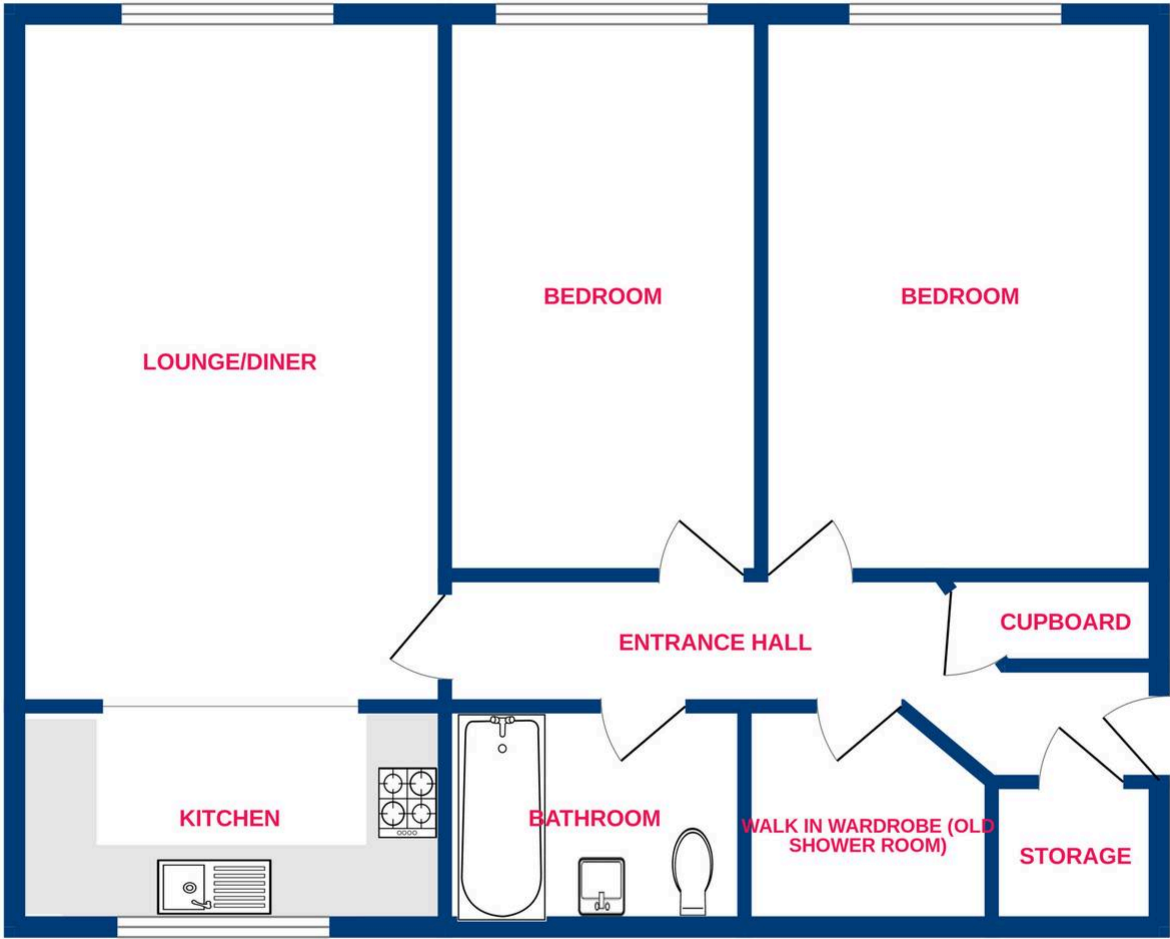

Temme English are delighted to market this excellent TWO-bedroom TOP FLOOR apartment. Commanding the very top floor in this particular communal block. You will struggle to find such a well presented and improved apartment currently for sale. Boasting large square footage the new owner will benefit from a spacious entrance hall, ample storage cupboards, double bedrooms, spacious living room and separate kitchen. From top to bottom the whole home has been extremely well cared for and has recently had an ultra-modern newly fitted kitchen and flooring throughout. Traditionally these flats come with a bathroom as standard and a shower room which has been changed to a walk in wardrobe but still with the plumbing there ready to change back if required. An additional big selling point is the fact there is a very large independent loft. Externally the home is only a 20 minute stroll to Wickford rail station and has one allocated parking space and plenty of visitor spaces available. The only way to fully appreciate the sheer quality and size on offer is by an internal viewing.
