

Stanmore Road, £325,000

We take great pleasure in marketing this deceptively spacious and beautifully presented TWO bedroom semi detached house. It is evident from the moment you enter the property the amount of time and attention to detail the current owner has invested into making this as close to perfect as possible. Upstairs offers two stylish bedrooms and a family bathroom. Downstairs boasts a spacious lounge and stunning kitchen/breakfast room. The kitchen leads onto the large conservatory then onto the vast south facing rear garden. Further benefits include the garage to the rear of the property which has been converted toa gym area and off-street parking for many vehicles. An internal viewing comes highly recommended so that the properties true value and potential can be fully acknowledged.
